

Notification of Accessibility of the Service Line Materials Inventory City of Lewiston

The City of Lewiston has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available, and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> you may also contact us at 507-523-2257. To complete the service line inventory our system performed record review, community outreach, and/or visual inspections.

As of October 16, 2024, our inventory contains 0 lead, 38 galvanized requiring replacement, 450 unknown material, and 145 non-lead service lines.
